WELCOME PAGE FOR BRAND NEW USERS

N°	ANNOTATIONS
1	Popular tags and discover case studies is sticky and will remain on the screen as people scroll through the case studies on the left.
2	Only 5 case studies will be shown by default and people can click on load more to see more, with each click loading 10 more.
3	This header will only be present for non-registered users the very first time they land on the website.
4	Clicking on each of these tags leads to a page listing case studies that use that tag.
5	This banner appears as a welcome message only one time, when a user has created an account for the first time.
6	Clicking the bookmark takes people to the sign-up page if they're not already registered/ logged-in If they are already registerd, it will become filled ■ and save to their library.
